

Farewell to Summer

Adventure truly began at the Library this summer! We played in foamy bubbles, viewed a live Shakespearean performance, cooled off with weekly film screenings in the auditorium, and were captivated by marionette performances given by our very own librarian puppeteers. We also enjoyed a visit from winged friends, virtual visits with cherished children’s authors like Kate DiCamillo, and the antics of our favorite summer entertainers, Ridiculous Nicholas and Silly Joe! A resounding thanks to the Friends of Upper Dublin Public Library, our Summer Reading Club sponsor, and all those who continue to support the Friends through annual membership, Friends Shop purchases, and donations. We couldn’t create these wonderful experiences without you!

Thanks for an Unforgettable Summer Celebration!

Thanks to all who helped us Celebrate Summer in UDT!. For four years now, we’ve brought you free family performances and Sunday concerts, among other activities. We could not do it without our incredibly generous sponsors, most especially Volvo of Fort Washington, who has been our presenting sponsor two years running! Also, our heartfelt thanks to BLBB Charitable; ACTS; Audi Fort Washington; CM3 Building Solutions; Boles, Smyth Associates, Inc.; D'Huy Engineering, Inc., a CHA Company; and GKO Architects.

No lazy days of summer here!
