

Miss Jenn's Weekly Booklist

The American Library Association presents awards each year to the best children's books published in the United States. Two of the major awards are the Caldecott Medal, given for the best illustrations, and the Newbery Medal, given for the best writing. The books are created for children birth-age 14. This list contains the last 10 years of winners. Hoopla BONUS BORROWS do not count toward your monthly check outs.
