

Public comment guidelines for social media sites

Social media websites that are maintained by the Township should display a link to the public comment guidelines. These guidelines are:

Posting Policy

You are encouraged to share your comments, ideas, and concerns. The Township will only allow comments from contributors that relate to topics on the subject matter. The Township will not allow comments that contain abusive, vulgar, offensive, threatening or harassing language, personal attacks of any kind, or offensive terms that target specific individuals or groups. The Township will not allow comments that are clearly off-topic, that promote services or products, or that promote or oppose any political party, person campaigning for elected office, or any ballot proposition.

Gratuitous links to sites are viewed as spam and may result in the comment being removed. Comments made through social media will in no way constitute a legal or official notice or comment to the Township or any official or employee of the Township for any purpose. The Township does not discriminate against any views, but reserves the right to remove any comments that do not adhere to these standards.
